

AMERICAN INSTITUTE OF HYDROLOGY MEMBER INFORMATION UPDATE / VERIFICATION

AIH FORM007 Rev. 06/25/08

Please enter any changes below in the appropriate sections. Students, please provide a "permanent" address to insure continued communication with AIH.

Fees Payable in US Dollars to American Institute of Hydrology.

| FOR OFFICE USE ONLY | |
|---------------------|--|
| Member Number: | |
| Date Received: | |

PERSONAL INFORMATION:

Preferred Title: ___ Mr. ___ Ms. ___ Mrs. ___ Dr. ___ Prof. ___ Other (specify): _____

Full Name: _____ Present Title: _____

Name of Employer: _____ Office Telephone: _____

Office Address: _____ Office Fax: _____

Office Email: _____

Specialty of Profession: _____

Home Address: _____ Home Telephone: _____

Home Fax: _____

Citizenship: _____ Home Email: _____

Date of Birth: _____ Place of Birth: _____

I prefer to have my correspondence sent to my: ___ Office Address ___ Home/Permanent Address

| Specialty Codes | | Employment Codes |
|--|--|---|
| 101 Agricultural Hydrology | 141 Pollutant Transport | Academia |
| 102 Aquifer Analysis | 142 Pollution Control | A Agricultural Engineering Department |
| 103 Arid Zone Hydrology | 144 Regional Hydrogeology | B Civil/Environmental Engineering Dept. |
| 104 Artificial Recharge | 145 Remediation Methods | C Forestry Department |
| 106 Climate and Weather | 146 Reservoir Hydrology | D Geology/Earth Sciences Department |
| 107 Coastal Hydrology | 147 River Basin/Fluvial Morphology | E Other Department (specify) |
| | 148 Runoff | F Research Institute/Laboratory/Survey |
| 108 Drainage and Irrigation | 149 Salt-Water Intrusion | Consulting Firms |
| | 150 Sedimentation | G Company Employee |
| 110 Engineering Hydrology | 152 Snow and Glacial Hydrology | H Company Owner/Partner |
| 111 Environmental Impact | 154 Springs and Seepage | I Independent/Unincorporated |
| | 155 Statistical Analysis | Corporations |
| 113 Flood Hydrology | 156 Stochastic Hydrology | J Energy Industry |
| 114 Fluid Mechanics | 157 Streamflow Routing | K Mining/Petroleum Industry |
| 115 Forest and Range Hydrology | 159 Techniques of Investigations | L Construction Industry |
| | 161 Unsaturated Flow/Soil Moisture | M Service Industry |
| 120 Ground-Water Exploration & Development | 162 Urban Hydrology | N Other (specify) |
| 121 Ground-Water Hydraulics | 163 Water Balance/Water Cycle | O Nonprofit Research/Institute/Laboratory |
| 123 Ground-Water Protection | 164 Water Law | Government |
| 124 Ground-Water/Surface Water Relationships | 165 Water Pollution/Ground-Water | P Federal - United States |
| | 166 Water Pollution/ Surface Water | Q Federal/National - Other |
| 126 Hydrogeochemistry | 167 Water Quality/Ground-Water | R State - United States |
| 127 Hydrogeologic Mapping | 168 Water Quality/Surface Water | S State/Province - Other |
| 129 Hydrologic Simulation | 169 Water Resources Management & Plan. | T Regional/Local - United States |
| | 171 Watershed Hydrology | U Regional/Local - Other |
| 133 Karst Hydrology | 172 Water Use | Other |
| | 173 Water Well Technology and Testing | V Society |
| 136 Mining Hydrology/Hydrogeology | 175 Wetland Hydrology | W Retired |
| 137 Modeling | 176 Wildland Hydrology | X International Organization |
| 138 Monitoring Network Design | | |
